Coding
Cooking
Music Production

WORK EXPERIENCE

Freelance (December 2020 - August 2021)
Video Editor

Worked as a freelance video editor, this job made me learn the fundamentals of using editing software like Kdenlive and Premiere Pro.

Kriterhouse (February 2021 - Present)
Founder

Working on various projects including the Rybo project, a game controller for rhythm games.

PROJECTS

The Kritter License (July 2021 - August 2021)
<https://github.com/Kriterhouse/kritter-license>

A family of licenses made to release abandoned projects into public domain.

Drakula (May 2021 - Present)
<https://github.com/CITIZENSIXTYNINE/Drakula>

Yet Another Dracula theme for Discord
This project helped me learn the fundamentals and uses of CSS in environments where the user doesn't use a web browser.
